**Starting at \$250,000**

Los Lagos is a boutique lakeside village planned for Hacienda Matapalo set along the pristine shores of the dotted lakes at the base of Phase I. Located toward the northern side of the property, Los Lagos will be designed to accentuate the beauty of the lakes and capture select, expansive views. Only two floors each, Los Lagos will be designed with a Polynesian style of architecture, including the Blue Morpho style design. All units will have access to the Los Lagos clubhouse and infinity edged pool, as well as its accompanying amenities. Units range in size from 1,107 to 1,877 square feet.
