(PRWeb) May 10, 2008 -- Hacienda Matapalo, a 665 acre luxury Costa Rica Real Estate Development has exceeded \$20 million dollars in sales stated Michael Starkey, Vice President of Sales. "Location, Location, Location, has been the driving force in making Hacienda Matapalo the best selling project in Costa Rica," said Starkey.

Nestled in a Rainforest, with magnificent views of the ocean and mountains, and boasting a private 125 acre nature preserve that is home to numerous species of monkeys, birds, and butterflies. Also on the property are waterfalls, streams, and enormous trees that are breathtaking in size and beauty. Amenities abound at the Gated Community of Hacienda Matapalo, with a Beach Club, Equestrian Center, and Resort Clubhouse that are unrivaled in the area.

The area is booming, with completion of the newly paved Costenara Highway coinciding with Hacienda Matapalo's expected delivery of their Phase One Condominiums and Villas. "The new road, along with the Country's third International Airport, and new Marina, will make experiencing the 'Pura Vida' lifestyle of Hacienda Matapalo an easily achieved state of mind," stated partner Brian Albury.

The residences at Hacienda Matapalo include the Polynesian Village Villa-Condominiums starting at \$240,000, and various Villas and Homes ranging in price depending on style and location.

Hacienda Matapalo is strategically located in the beautiful Central Southern Pacific Zone of Costa Rica, just 800 meters off the beach, reaching back three kilometers into the primary forested mountains to an altitude of nearly 2,000 feet above sea level. With 665 private acres, Hacienda Matapalo offers a world of natural beauty and adventure.
